

# Release Versions

This page will allow you to see the various releases of ExamDeveloper and see the new features that were added in that version.

- [Coming Soon](#)
- [Known Issues in Releases](#)
- [Version 7.2001](#)

You can find the ExamDeveloper Upgrade Schedule here: <https://home.pearsonvue.com/Test-Owner/Maintenance.aspx>

Upgrades and the adjacent outage of the software is performed between the hours of 6:00am-7:00 am Central time.
